LEAGUE OBJECTIVES

PERFORMANCE DIVISION

The objective of the Provincial Performance League is to provide the highest level of play for players/teams at the Pee Wee, Bantam and Midget age categories in a Province-wide format. Provincial Performance Leagues will operate on a Province-wide basis for the entire season, with each team playing all other teams at least three times during the months of May, June and July.

Pee Wee Performance

May (1st Round) primary focus is developmental. Game results will not count towards final standings. This round is to be used for coaches to further develop all their players' game skills. The standings for the month of May will be posted on the Baseball Alberta website for informational purposes.

June & July (2nd and 3rd Rounds) game results will count toward final Provincial standings. The number of teams in the Provincial Championship (2 tiers if necessary) is dependent on the number of teams registered. It is the mandate of Baseball Alberta to include as many teams as possible in the Provincial Championship weekend. Provincial Championships will consist of either 4, 5, 6 or 8 teams. The Provincial Championship will take place July 30th – August 1st. The winner of the Provincial Championship will represent Alberta at the Invitational Baseball Canada Pee Wee National Championship. The second and third place teams will represent Alberta at the Baseball Canada Western Regional Pee Wee AAA Championships. If the Invitational Baseball Canada National Championships are not held then the first and second place teams will represent Alberta at the Baseball Canada Western Regional Pee Wee AAA Championships.

Bantam Performance

May (1st Round) primary focus is developmental. Game results will not count towards final standings. This round is to be used for coaches to further develop all their players' game skills. The standings for the month of May will be posted on the Baseball Alberta website for informational purposes.

June & July (2nd and 3rd Rounds) game results will count toward final Provincial standings. The number of teams in the Provincial Championship (2 tiers if necessary) is dependent on the amount of teams registered. It is the mandate of Baseball Alberta to include as many teams as possible in the Provincial Championship weekend. Provincial Championships will consist of either 4, 5, 6 or 8 teams. The Provincial Championship will take place July 30th – August 1st. The Provincial Championship will either be a 5 or 8 team tournament dependent on the number of team registered. The Provincial Champion will represent Alberta at the Baseball Canada Bantam National Championship. The second and third place teams will represent Alberta at the Western Canada Baseball Association Bantam AAA Championships.

Midget Performance

May – July – All games will count toward the Provincial Championship standings. The Provincial Championship will either be a 5 or 8 team tournament dependent on the number of teams registered. A tier II Provincial Championship will be offered to teams who do not qualify for the Provincial Championship tournament. The Provincial Championship will be played July 30th – August 1st. The winner of that tournament will represent Alberta at the Baseball Canada National Championship while the runner-up will represent Alberta at the Western Canada Baseball Association Midget AAA Championships.

2010 Baseball Alberta Provincial League

COMPETITIVE DIVISION

The objective of the Provincial Competitive League is to provide a competitive yet developmental level of play for players/teams at the Mosquito, Pee Wee, Bantam and Midget age categories in a Province-wide format. Provincial Competitive Leagues will operate on a 3-round seeding basis, with teams playing in a Regional format in May, a North/South Divisional format in June and a Provincial Tier format in July.

May (1st round) (Mosquito, Pee Wee, and Bantam) will be a regional seeding month; the primary focus will be developmental. This round will be used for coaches to determine their team's ability to play in either Division 1 or 2 for the following round. Baseball Alberta will still require game summary sheets to be faxed in and will aid Baseball Alberta in the placement of teams for Round 2. Coaches input will also be taken into account when determining Division of play for Round 2.

May (1st round) (Midget) will be a regional seeding month, with the game results determining whether teams will move into Division I or Division II (North or South) for the month of June. Modified rules will be followed to provide for better team/player development.

June (2nd round) games will be a North/South Divisional seeding month with the game results determining whether teams will move into Tier I, II, III or IV for the month of July. Teams entering late will be given an option of Division I or II and be placed depending on Baseball Alberta's decision. Division I teams will be tiered into either Tier I or Tier II and Division II teams will be tiered into either Tier III or Tier IV. (*see Team Movement section for exceptions*).

July (3rd round) games will be a Provincial round with teams tiered into one of four tiers. Results from this round will determine which teams qualify for the Competitive Tier I, Tier II, Tier III or Tier IV Provincial Championships. If Community Provincial teams enter and there are not enough Community Provincial teams to form that category of play, those teams will be offered the chance to play in the lowest tier of competitive play for July. Depending on the amount of teams in each tier Provincial Championships will consist of 4, 5, 6, or 8 teams. The top Baseball Alberta member teams in the Pee Wee, Bantam and Midget Tier I Provincial Championship weekend will represent Alberta at the AA Western Canada Baseball Championships.

COMMUNITY DIVISION

The objective of the Provincial Community Baseball League is to provide a longer season of baseball for community level teams and players, allowing them to continue to play baseball through the month of July with a Community Provincial Championship at Mosquito, Pee Wee, Bantam and Midget age categories (based on registration). Teams will compete in a regional format for two weekends in July with the top teams competing in a Provincial Community Championship July 23 – 25, 2010. The number and size of the regions will be based on the number of teams that register. If there are too few teams registered to host the Community division of play, the teams entered will be given the opportunity/choice to compete in the lowest Competitive Tier for play in July and will have an opportunity to qualify for that Tier's Provincial Competitive Championship.

TEAM ENTRY

Provincial Team Entry Form for the **Performance Division** is due in the Baseball Alberta Office **no later than April 7, 2010** along with the Team Entry Fee and Performance Bond. All teams must submit a list of available host dates (based on the scheduled weekends of play) and blackout dates when the team is unavailable.

Provincial Team Entry Form for the **Competitive Division** is due in the Baseball Alberta Office **no later than April 14, 2010** along with the Team Entry Fee and Performance Bond. All teams must submit a list of available host dates (based on the scheduled weekends of play) and blackout dates when the team is unavailable. **Late entry deadline is May 10, 2010** with all the above requirements submitted by that date to the Baseball Alberta Office (for entry into June/2nd round of play).

2010 Baseball Alberta Provincial League

Provincial Team Entry Form for the **Community Division** is due in the Baseball Alberta Office **no later than June 11, 2010** along with the Team Entry Fee, Performance Bond and official team roster. All teams must submit a list of available host dates (based on the scheduled weekends of play)

All teams must declare on Team Entry Form whether their Association/Team is a Member Association/Team (registers all players/coaches/officials), a non-Baseball Alberta Association/Team (chartered with Little League, Babe Ruth, American Legion, etc.) and must pay applicable fees for team membership in order to be accepted into the Provincial Baseball League. Only Member Association/ teams may represent Baseball Alberta at Western Canada Baseball Championships and at Baseball Canada National Championships. All teams have open access to the Provincial Baseball League and the Provincial Championships. All players and coaches participating in the Provincial Baseball League must be registered participants with Baseball Alberta in order to be eligible for participation.

It is extremely important that Baseball Alberta gets as many contact numbers and emails from each team as possible. We require two email addresses from each team; ideally we would like to have contact information (email and phone number) from the **Head Coach, Team Manager and Assistant Coach**. In addition, Baseball Alberta requires the email addresses of all Midget players.

Any team who has not paid their required fees will not be entered into the Provincial League Schedule.

ROSTER REQUIREMENTS

PLAYER ELIGIBILITY

NEW RULE FOR 2010 - Midget Community, Competitive and Performance teams are permitted to have two (2) nineteen year old players eligible on their roster. These players are eligible for full league play including Provincial Championship play. Player eligibility is based on the following age divisions (see Community division exception below):

Mosquito – May not turn 12 or older in 2010 (recommended 1999 – 2000 birthdates)

Pee Wee – May not turn 14 or older in 2010 (recommended 1997 – 1998 birthdates)

Note: Community Provincial rosters may include up to two (2) players who are **one** year over age (may not pitch) Players submitted on a Provincial Final Roster (Performance, Competitive or Community) may not sign on any other Baseball Alberta registered Provincial team final roster during the entire season of play (except as an Affiliate/Pick-Up Player or Team Alberta/Team Canada). Players may only sign one final roster (except for Provincial Championship roster as a pick-up player) and may only be on one roster at a time (if listed on an Initial Roster, that player may not be listed on another roster until removed from that roster). Competitive players **may** play both community/house league and Provincial Competitive League baseball, but may not sign a Provincial Community roster. Performance players are mandated to be committed to their Performance team solely.

All players and coaches listed on Provincial rosters must be registered with Baseball Alberta (by May 14th).

Performance and Competitive players and coaches must be registered at the Competitive Player/Coach rate while Community players and coaches must be registered at the Community Player/Coach rate.

For the Baseball Alberta Provincial League Play and Provincial Championships, a player may register with only one team, one category, and one provincial championship in a particular season except in the following circumstances:

- As a replacement player approved by the Baseball Alberta Registrar
- As a player participating in the Baseball Alberta High Performance Program
- As an approved pick up player

Residence Criteria

- If a registered player in Mosquito, Pee Wee, Bantam, or Midget category has changed his permanent place of residence to another location within the province, he may register with a team at his new place of residence at any time during the season with the consent of the Baseball Alberta Registrar. The fact that his permanent place of residence has changed must be supported by a sworn affidavit and to be kept on file at the offices of Baseball Alberta.
- A player who has registered with another baseball organization, or comes from an area where no organized baseball was available, and who changes his permanent place of residence, after Baseball Alberta registration deadlines have passed, may be granted registration with Baseball Alberta teams upon written request to the Baseball Alberta Registrar. The fact that the player's permanent place of residence has changed must be supported by a sworn affidavit to be kept on file at the office of Baseball Alberta.

Each team may register a Team (Off-Field) Manager and three (3) Coaches.

COACH ELIGIBILITY

RESPECT IN SPORTS (Required for 2010 League Play)

Please note that "Respect in Sports" is a **mandatory program for all coaches in the Baseball Alberta Performance, Competitive and Community Leagues**. The Respect in Sports program is designed to give coaches better tools in performing their duties while protecting players from potential liability issues involving harassment, abuse and bullying.

Baseball Alberta feels coaches will see the immediate value once they have completed the 6 (½ hour) modules. Upon completion of the program coaches can go back to any module and review the information from start to finish. This is a tool to assist coaches in becoming better coaches and communicators while protecting everyone's best interest in today's challenging world.

For Performance and Competitive League Coaches - Any coach identified that has not completed the course by *May 31st, 2010* that is on the Official Roster will incur a fine of \$100.00 and all subsequent games for that team will be forfeited until that coach has completed the course.

For Community League Coaches - Any coach identified that has not completed the course by *July 15th, 2010* that is on the Official Roster will incur a fine of \$100.00 and all subsequent games for that team will be forfeited until that coach has completed the course.

NATIONAL COACHING CERTIFICATION PROGRAM (NCCP) REQUIREMENTS

Coaches will be required to take the NCCP courses corresponding to the age group and level of play.

Performance & Competitive - Any team who does not fulfill the certification requirements is subject to a \$100 fine payable by the team's Association/Club (see Initial and Final Roster requirements below).

Community Provincial - Any Community team who does not fulfill the certification requirement is subject to a \$100 fine, payable by the team's Association/Club with their roster submission on June 16, 2010.

Teams/coaches will be informed at the beginning of the year of any certification requirements needed. These requirements must be fulfilled before the Provincial Championship weekend or that coach will **NOT** be allowed to be on

the field. Baseball Alberta will be providing many more NCCP courses throughout the year in order for coaches to obtain proper certification.

Mosquito - Midget categories shall be permitted to register up to 18 players.

Only players and coaches listed on an Approved Initial Roster (up to May 21st for Performance; up to May 28th for Competitive) or an Approved Final Roster (June 1 and later) may play in Provincial Competitive League games. Any player who has not submitted and/or been granted approval for transfer will not be approved and will be removed from the roster and ineligible for play. No roster additions may be made after the Final Roster submission date (except for a player moving into the area who must apply to the Registrar) so all transfers for new players must be in the Baseball Alberta Office no later than noon on the roster submission date. After the Final Roster submission date, the only roster changes allowed will be based on Replacement Players.. Each subsequent roster change/replacement will be subject to a \$25 processing fee. Any player who quits their Provincial team will not be allowed to join any other Provincial Roster (as a Replacement Player or Pick-Up Player) or be allowed to participate as an affiliate player.

Only rosters that are typed and emailed into the Baseball Alberta office will be accepted (preferably in Microsoft Excel). We will not be accepting faxed, mailed, scanned or hand delivered rosters.

Any team who has a coach on their roster without the required NCCP Certification **must provide a check for \$100 post-dated for July 15, 2010.** If required certification is not provided to the Baseball Alberta Office by July 14th, the post-dated check will be cashed and there will be no refunds (even if certification is fulfilled after this date). If a post-dated check does not clear, that coach will be suspended until the fine is paid in full.

Competitive

Initial Rosters must be submitted by e-mail on the form provided to Baseball Alberta by Noon on Friday, April 23, 2010. The Approved Initial Roster will be returned to the team by Monday, May 3rd. Players must sign the Approved roster prior to their first game. The Approved Final Roster will be returned to the team by Noon on Tuesday, June 1st. All Coaches' NCCP numbers must be provided by the Final Roster deadline. Any team without an NCCP Certified coach **must provide a check for \$100 post-dated for July 15, 2010.** If required certification is not provided to the Baseball Alberta Office by July 14th, the post-dated check will be cashed and there will be no refunds (even if certification is fulfilled after this date). If a post-dated check does not clear, that coach will be suspended until the fine is paid in full.

Community

Final rosters must be submitted by e-mail on the form provided to Baseball Alberta by 4pm on Friday, June 11, 2010. The Approved Final Roster will be returned to the team by Wednesday, June 23, 2010 for play starting July 1st. Each team must submit NCCP numbers or proof of certification (photocopies of temporary certificates) for at least one coach or a check for \$100 to the Baseball Alberta Office with the team Entry. Any team who provides neither proof of the required certification or fine will not be entered into the Community Provincial League schedule.

Player Transfer – Performance, Competitive and Community

A player who lives outside the boundaries/city limits of the team he/she is wishing to play for must first register with the closest Baseball Alberta Association within their zone (Home Association) and pay the Baseball Alberta Player Registration fee (Competitive fee for Performance/Competitive or Community fee for Community) through the Home Association (who must then register and provide payment for that player as of May 14, 2010). The Home Association may charge that player up to \$25 for administrative costs.

The player may then apply to transfer through the Transfer Request Application. The transfer request must be signed by both the President of the outgoing Association and the President of the receiving Association to indicate their approval or denial of such transfer.

The transfer form, required letter and \$25 fee must be delivered to Baseball Alberta (no faxed/e-mailed copies or forms without payment will be accepted) no later than Noon on the Initial/Final Roster submission date. Only players who have been approved transfer will be allowed onto an approved team roster.

Any transfer request that occurs after the Approved Final Roster is sent back to the teams (May 21st, 2010 for Performance Teams; June 1st, 2010 for Competitive Teams; and June 23rd, 2010 for Community Teams) will result in the transfer fee increasing to \$100.

Any transfer that is signed by both the outgoing and receiving President and delivered with required letter and \$25 processing fee will be deemed approved Baseball Alberta.

If the outgoing President denies (or refuses to sign) the Transfer Request, the player may still submit the transfer request with the required letter and \$25 processing fee. This will be considered an appeal and will be decided by the Registrar. Baseball Alberta will not support lateral transfers (Competitive to Competitive) without support of the outgoing Association President unless transferring from a part-time program to a full-time program **or** unless a Competitive team has not been formed/guaranteed at that point **or** unless extreme circumstances can be proven. If a player wishes to appeal past the designated Registration representative, the Executive of Baseball Alberta will have final ruling on the matter.

If the player is transferring to a higher division of play (i.e. from Community to Competitive), the appeal will be approved in order to give the player a higher level opportunity for development.

If the incoming President denies (or refuses to sign) the Transfer Request, the player has no appeal and will not be granted transfer.

There will be an additional charge of \$100.00 to any player wishing to appeal beyond the transfer decision made by the Baseball Alberta Registrar. Appeals will be brought forward to the Executive Committee upon receipt of payment.

No player, coach, team, club, league, or association shall attempt to induce a player (minor categories) of any other club to leave that club or zone. Any person who attempts to induce a player of any club/zone shall be deemed to have committed an offence and subject to a penalty with such penalty being decided by the Baseball Alberta Board of Directors.

Proof of Eligibility

Teams must submit their Approved Initial/Final Roster to the Official Scorekeeper with their game line-up card at least 15 minutes prior to scheduled game time. Only players who are listed on the Approved Roster will be allowed in the line-up (except for Approved Affiliate players – see Affiliate Player section). If a team cannot produce their approved roster, the game will still be played and a copy of the line-up card must be submitted with the Game Summary Report. If it is confirmed that an ineligible player was used, the opposing team will have the choice of either taking the game result or a forfeit win and the offending head coach will be subject to disciplinary action.

2010 Baseball Alberta Provincial League

All approved players and coaches must be registered (and paid) with Baseball Alberta by May 14, 2010. Any player or coach who is unpaid as of May 26th may be suspended from play until payment is made in full.

Affiliate Players

The affiliate program is in place to provide coaches with an option to pick-up players from a lower category/division in the event of unforeseen circumstances where their roster would drop below the original size. Coaches have the option to bring their roster size up to its original roster size utilizing affiliates. For example, if a team's original roster size is 16 players and 3 players are injured and unable to play that coach can potentially affiliate 1 – 3 players. This is not in place to add depth to the team's current roster, but as an emergency back up plan. Coaches will still be required to provide information and reasoning for the player who is being replaced.

Competitive and Performance teams may affiliate up to 7 players from a lower category/division of play. **No affiliates will be allowed for the Community division.**

All affiliate players must be approved by Baseball Alberta prior to them being eligible to play.

Each **Performance** team will be assigned registered Competitive teams they may draw affiliates from (teams may not draw from any other Competitive team at that age category unless assigned for affiliation). Performance teams may also draw from their community base (including lower age categories) or from community/lower age categories within a 75 km radius (where there is no local team for those players to affiliate with). In order to affiliate a player, the coach must contact the player's team coach for contact information and then discuss the option with the player's parent(s) unless the player is 18 years of age.

Each **Competitive** team may draw affiliates from their own Association house/community league or from any Association within 75 km who does not have a Competitive team at that age category. In the event that there are teams that do not have any associations within the 75 km radius then that team may apply to Baseball Alberta for affiliate approval from outside of the 75 km radius. In order to affiliate a player, the coach must contact the player's team coach for contact information and then discuss the option with the player's parent(s) unless the player is 18 years of age.

Each team must submit the Affiliate Player Application (completed and signed by the affiliate's parent unless 18 years of age) along with a \$25 processing fee to Baseball Alberta at least 3 working days prior to first game to be played. Baseball Alberta will forward an updated Affiliate Player Tracking Sheet with the approved player's name on it.

In order to utilize an affiliate, the coach/team manager must contact the affiliate player's team coach to determine availability and to also discuss how the player will be utilized (coaches should come to agreement of innings to be pitched as those innings may affect the affiliate player's team). If the affiliate's team has a league (Provincial Community or house league) game, that player will not be available. If that team has a tournament, the player will only be available if approved by both the coach and parent/player. If that team has a practice or exhibition game scheduled, the player will be deemed available. Any coach abusing this process will be disciplined by Baseball Alberta. If deemed available after due process, the coach must then contact the player's parent(s) unless the player is 18 years of age.

The Affiliate Player Tracking Sheet must be provided to the Official Scorekeeper along with the line-up card. The official line-up card must identify the player with "AFF" beside the player's name. The Official Scorekeeper will fill in the date of the game played (regardless of whether that player ever plays an inning and once on the official line-up, that player will be charged with one game played) and return the Tracking Sheet to the team. The Official Scorekeeper will identify Affiliate Players on the Game Summary Sheet and Baseball Alberta will update each team's master Affiliate Tracking Sheet to be kept at Baseball Alberta.

Affiliate players may only sign with one team and may only play up to 5 games throughout the entire schedule. Once a player's five (5) games are complete, that player's eligibility for Affiliation will be denied for the remainder of the season. (The Registrar may only extend affiliate player's maximum number of games in the event that a team loses a player(s) to Team Alberta/Team Canada opportunities and has used up all available affiliate player games).

Roster Replacements

In the event that a team loses a player for the long term, that team may apply to Baseball Alberta for a roster replacement, according to Roster Replacement Rules (below). All Roster Replacement applications will need to be delivered to the Baseball Alberta Office by 4 pm at least 4 business days prior to needing the player for a game and must include a \$25 processing fee and supporting documents (medical note, letter from family indicating they are moving from the area, etc.).

- Teams requesting replacements in Midget and lower categories must obtain the authorization of the Registrar, whenever a team's roster is reduced to fewer than 12 players because of injuries, death, or players having moved from the area. Replacement players may be added as required up to a twelve (12) player maximum.
- The sole objective of allowing a team to replace injured or deceased players, or players having moved (from the area) under this rule, is to ensure that the remaining players on the team are not in the position of having to forfeit a game due to a shortage of players.
- A replacement player must be registered with Baseball Alberta in the current playing year as of June 1st, but cannot be from a higher division of play or be on any other provincial roster. A player on a suspended team shall remain eligible for replacement as per replacement guidelines.
- A player who has been placed on a disabled list must be supported by a medical certificate. Replacement players not dropped shall be considered part of the original roster.
- A player who has moved from the area and can no longer participate with the original team must provide proof of the said move, substantiated by an affidavit.

TEAM REQUIREMENTS

PERFORMANCE AND HOSTING BONDS

- Each team registering shall be required to post a performance bond and pay the required team fee. The performance bond will be returned by September 30th if all commitments have been met. Suspended teams will forfeit their entire performance bond and be subjected to a three year probationary period, during which time the performance bond will be \$500 for each team. Any team not paying all fees as outlined by the scheduling date of Baseball Alberta League play will be denied participation into the Baseball Alberta League.
- If an association has five or more teams entering various playoff categories, such association or club may request to post one bond and submit an affidavit guaranteeing to pay the other bonds if commitments are not met, except in the case of suspended teams.
- Provincial championship hosting bonds will be returned upon receipt of a Tournament Director report showing that all commitments have been met.
- Baseball Alberta shall have the right to offset any outstanding accounts against any refunds from performance and or host bonds.

HOST TEAM

Host teams are responsible for providing the following items for **all** games played at their host site:

- Baseballs – 3 or 4 new baseballs per game (depending on wear/tear and weather conditions)
- Diamonds/facilities – includes diamond maintenance and preparation before/after games
- Ensuring payment of umpire travel costs as required (see 2010 Umpire Fees)
- Booking and ensuring payment for Umpire Accommodations as required for out of town umpires
- Official Scorekeeper for **all** games played at the host site (may be a team parent but must be objective and must not be scoring for the host team in that game)
- Hosting Coordinator (may be a team parent)
 - Communicate with teams playing at host site with respect to directions to diamond, accommodations and confirmation of game times
 - Ensure umpires are contacted in case of cancellations due to unplayable field conditions
 - Photocopy/Print Game Summary Reports for host game/weekend

2010 Baseball Alberta Provincial League

- Ensure Official Scorekeeper is aware of rules/regulations (provide copy of Rules package)
- Collect umpire game fees (checks preferred) as required from all participating teams/issue Baseball Alberta Umpire Fee Payment Receipts to teams
- Ensure the umpires are paid **by check by the host team** (including travel/mileage) prior to leaving the facility for the day/weekend (unless local Association has another procedure for payment communicated to and accepted by the umpiring crew)

- Mail copy of Protest Report and \$100 protest fee (payable by team check) back to Baseball Alberta, in the event that a Protest is denied

The Official Scorekeeper will be responsible for the following:

- Collecting game line-ups, team rosters, Affiliate Player Tracking Sheets (when using Affiliate Players) and Weekly Pitching Sheets (Mosquito, Pee Wee, Bantam and Midget) from each team at least 15 minutes prior to each game
- Checking the line-up card against the roster and Affiliate Player Tracking Sheet to ensure all players are eligible (Affiliate Players must show "AFF" marked by their name on the line-up card); once complete, return the team roster to each team manager or coach; if a player on the line-up card does not match a player on the roster or Affiliate Player Tracking Sheet, notify that coach of the issue – the coach will have the option to play that player and face the consequences of playing an ineligible player; fax a copy of the line-up card with the potential ineligible player noted so the Office staff can verify eligibility
- Updating the Affiliate Team Tracking Sheet and returning to the team manager/coach
- If the team cannot produce the roster or Affiliate Player Tracking Sheet, make the coaches aware that the game will be played under protest and that if the team in question has used an ineligible player, the opposing coach will be given the option of keeping the actual game result or taking a forfeit win; in this case, a copy of the line-up card must be copied and faxed in with the Game Summary Report
- Keeping score without prejudice or bias – official scorekeepers may not act as a team scorekeeper and must stay objective; the official scorekeeper may not alert either team (or the umpire) if a batter is batting out of order, but will alert the umpire if the pitcher returning to the mound is no longer eligible to pitch
- Filling out all necessary information on the Game Summary Report in ink and ensuring that both coaches, the home plate umpire and the official scorekeeper sign the Game Summary Report to verify its accuracy – once signed, the game is official
- Updating each team's Weekly Pitching Report in ink (Mosquito, Pee Wee and Bantam only); return the sheet back to the team at the end of the game
- The Official Scorekeeper may provide inning, # of outs, score and player changes to each team as requested
- At the conclusion of the game each coach is to select one player from the opposing team as that team's "Player of The Game". These selections must be written on the Game Summary Report in the box provided.
The Official Scorekeeper must make sure that the selected players' names (not just their jersey numbers) are provided on the Game Summary Report.

PARTICIPATING TEAMS

All participating teams (including host) will be responsible for paying **the host site for one umpire game fee per game played** in the 2010 Baseball Alberta Provincial League. The non-host teams will pay the host site the required game fees **prior to their first game**. If games are rained out, the host site will either return the check (if no fees are required) or will issue a reimbursement for the games not played. Payment to umpires must be done prior to each game.

All participating teams (including host) will be responsible for **supplying 2 Protest Committee members** to sit on the Protest Committee for the games they are playing (the home and visiting teams will each supply 2 members on the Committee).

All participating teams **must provide their Approved Roster, Affiliate Player Tracking Sheet** (when utilizing Affiliate Players), **Weekly Pitching Report** (Mosquito/Pee Wee/Bantam/Midget) and **line-up card to the Official Scorekeeper at least 15 minutes prior to the game** and will be responsible for ensuring they receive those items back, once checked/completed, before leaving the host site.

All Mosquito, Pee Wee, Bantam and Midget teams must fax their weekly pitching reports into Baseball Alberta by Wednesday of the following week.

No team will need to produce approved Transfer Requests as all players listed on the Approved Initial/Final Roster will be approved by Baseball Alberta (transfers will be deemed approved).

Team rosters, duly authorized by the Registrar must be produced at all Baseball Alberta League Games/Provincial Championship. Any team entering the Baseball Alberta League without having all players, coaches, and managers properly registered will be subjected to disqualification from that game, and subject to fines or suspension.

LEAGUE FORMAT AND SCHEDULING

RAINOUTS AND SCHEDULING

Teams must give Baseball Alberta at least 2 weeks notice of tournaments, graduations or any other circumstance where their team is unavailable to play. If inadequate time is given (less than 2 weeks) to Baseball Alberta, then that team will be forced to take a forfeit loss.

Failure to complete league scheduled games could result in the suspension of the team for Provincial Championship play at the discretion of Baseball Alberta.

Games should only be cancelled for weather if the field is unplayable or it is unsafe to play due to the conditions. If games must be cancelled due to poor weather, the host team is responsible for notifying the umpire crew (if their phone numbers have been provided) or the Zone Umpire Supervisor (listed on www.baseballalberta.com).

Teams are responsible for making up games and must coordinate the date/time/place and forward to Baseball Alberta by 4 pm at least 4 days prior to the anticipated game. If the four days notice is not possible, the Zone Umpire Supervisor will do their best to try to assign umpires. Baseball Alberta will then forward the request directly to the Zone Umpire Supervisor who will confirm with the team if umpires are available.

Any games that are not made up by the end of the round will either be struck from the schedule (if there was no possible way to make that game up due to timing/weather) or result in a loss assigned for the team(s) unable or unwilling to replay the game. No team will receive a win for a game that was not played. Any team refusing to travel to play a game may also lose their team's performance bond and will be disciplined further through suspension.

Teams who meet in tournament play may elect to use that game for Provincial League results, but must agree before the game and must provide an Official Scorekeeper to fill out all the necessary game reports and sheets (must follow rules for pitching and use of affiliates/eligible players).

Any team/host site that must cancel a game (other than weather reasons) must provide notice by 4 pm at least **2 days** prior to the game or the team who is cancelling the game will be charged full umpire game fees for the game scheduled.

TEAM RANKING AND TIEBREAKING RULES

The following order will be utilized to rank teams and break ties following each round of league play as well as Provincial Championship play (once a team is removed from a tie, the remaining teams will continue from that point forward through the remainder of the rules to break any remaining ties):

1st Infraction A **written** warning will be issued to the Head Coach or Team Manager

- a. The violation of any pitching rules may result in forfeiture of the game in which the violation occurred. (Baseball Canada Rules of Baseball 2010 version)

<u>Hearing Policy</u>	At any point in the process a suspended or fined manager or coach may request a hearing involving Baseball Alberta; a \$100.00 cost will be incurred.
<u>Appeal Policy</u>	At any point in the process a suspended or fined manager or coach may appeal a decision. A \$200.00 cost will be incurred if the decision is upheld.

PROTESTS

The Home and Visiting Team must each assign 2 Protest Committee members to decide on protests in Provincial League games. In order for a protest to be lodged, the protesting team must notify the umpire of the request to protest the decision/call. If the umpire agrees the protest is legal, the protesting team must provide \$100 in cash to the Official Scorekeeper to officially launch the protest. The Protest Committee (4 members) will then be summoned and will hear the protest. The Committee will remove themselves from the area of play to discuss the protest and make a decision (through a majority vote) utilizing the rules of play for Baseball Canada/Baseball Alberta.

If the Committee cannot reach a majority vote on the protest, the Official Scorekeeper will then put all 4 names and their vote on separate pieces of paper and place in a hat, drawing out 3 names. The majority of the votes will then be decided by those 3 names drawn and will be accepted as the Protest Committee decision.

If the protest is upheld (protesting team wins the protest), the protesting team will be given their \$100 cash back and the game will resume from the point of stoppage with the new decision taking effect.

If the protest is not upheld (protesting team loses the protest), the \$100 will be sent into Baseball Alberta with a copy of the protest report and the game will resume from the point of the stoppage.

The Protest Committee must then ensure that the Protest Report is completed and left with the Official Scorekeeper (to be sent in by the Hosting Coordinator with the Game Summary Report to Baseball Alberta).

Protest Committee members should be objective individuals with good knowledge of the game of baseball.

PROTESTS – Provincial Championships

- The host site shall appoint at least two members to the Protest Committee. The Tournament Director and two members shall deal with all protests and disputes arising in a playoff and their ruling shall be final and binding.
- The Umpire and the Tournament Director in attendance shall be notified, at the time of alleged infraction, that a protest is being lodged.
- A decision based on an umpire's judgment shall offer no basis for protest.
- In reaching its decision on any legitimate protest, the Protest Committee shall meet immediately with the game umpires and the team managers involved in the dispute, with the game remaining in a state of suspension until a decision is made.
- No protest shall be considered by this committee unless the prescribed fee of \$100 has been paid in cash. This fee shall be returned if the protest is upheld.
- Any member of the Board of Directors involved in a protest shall be disqualified from voting on the protest.

DISCIPLINARY GUIDELINES

GAME EJECTIONS AND INCIDENT REPORTS

Each game ejection (players, coaches and fans) will be tracked through Game Summary Reports filled out by the Official Scorekeeper and followed up through Incident Reports provided by the umpire. All reports will be sent to Baseball Alberta and will be filed and tracked for the entire season. While most individual ejections will not result in more disciplinary action, some incidents or groups of incidents may constitute further action. Baseball Alberta Disciplinary Guidelines are available on the Baseball Alberta website.

For the Performance Divisions the top 5 or 8 teams (dependent on number of teams registered) will compete at the Provincial Championship at the Pee Wee, Bantam and Midget level.
