To Whom It May Concern:

Do you want to join a winning team? Here is your chance to hit a home run by sponsoring BMBA (Beaumont Minor Baseball Association) as part of your local marketing strategy for the upcoming season.

Last season, over 200 youth aged 5 to 16 played in Beaumont Minor Baseball leagues, which included teams in both the community leagues and competitive provincial teams. The provincial format of Baseball Alberta allows our teams to travel the province during the months of May to July. Community teams also travel to towns close to Beaumont during May and June.

Your Beaumont Minor Baseball sponsorship will enhance quality outdoor recreation for youth through a sport that has been a tradition for more than 100 years. Counting league players, tournament players and their parents, your message will reach thousands of youth and adults at our ball parks and through our website at www.beaumontminorball.com

Please consider sponsorship of minor baseball as part of your company's local marketing strategy for this season. The attached document defines our various sponsorship opportunities. For further information, please contact

Yours truly,

BMBA

Beaumont Minor Baseball Association

BMBA (Beaumont Minor Ball Association) is a volunteer, non-profit organization which organizes baseball for Beaumont youth. We operate under the auspices of Baseball Alberta, Softball Alberta and Baseball Canada. Our goal is to provide each player with an opportunity to participate, learn and enjoy playing the game of baseball.
